Cosmic Christ Work Day

Date: November 21, 2015

In: Portland, Oregon

An Invitation

We will be in Portland for the better part of a day for a Cosmic Christ Work Day roughly between 2PM and 6PM. We will be outdoors and all are Welcome. This is NOT an organized activity but rather an open invitation - a simple opportunity to join the Cosmic Christ for a Work Day. Please if you do not find your way to us on this day know that you are there too, in Loving Spirit. Welcome to the Community of Christ, my friends.

What is a Cosmic Christ Work Day?

An opportunity to join the Cosmic Christ for a Work Day in which we will come together as the Christ guides us and reveals a path to God most needed at this time. In Spirit we all gather on these days, Above and Below, to open our hearts and minds to the Great Heart of God. We will work with the Great Father and Great Mother, the I Am Presence and our Sacred Family, together, finding the way into Love, Surrender, Obedient Service, Expanded Consciousness which opens within us our own Loving Christ Presence - the entry way to our own I Am Presence, fully realized and fulfilled in our Individuated Selves, Unified Concepts of Self and God. Not just Self Realized but rather a great surge upward into God Realization. Why now? Why so strong and imperative a call to do this now? Because our Beloved Earth needs us. Our Great I Am needs us. Because we have work to do, individually and collectively. Our planet has so much help from across all the possibilities in this Universe. So do you. This is just one of them. Reach up, into and around your Universal Selves and join in the Celebration and the Victory and the Revealed Christ to Come so that the Holy Way of Earth Ascended can be your new home. This is an invitation.

Our Welcome is this, "Come in Joy, surrendered and open without preconceived agendas or expectations. Know that in so doing you will already be Blessed."

This Event is sponsored by a host and no cost is associated with attending, however, donations of any kind are welcomed by those organizing the event or by the Light of the Lily, an established nonprofit, to further the work at this time and as it is ever unfolding before us. All Are Welcome.

The Check-In Contact in Portland is Robin Wise, makaro.va.11315@gmail.com or
Phone (503) 896-0339. She will provide directions for the Work Day location.
