*"People do not know this yet but one can fly home, can ride the Great Light and know themselves and each other again with the Light Songs we are allowed to bring in at this time. If they open to this and surrender and allow it to be so." -The Mother of All*

We are pleased to announce that we are beginning to now add music to The Ocean song CD at this time. It is also our intention to add music to all of the song CDs eventually. We invite anyone interested in helping to make this possible to consider a donation to Light of the Lily through Karen Singer on our behalf. (Her contact information is available in this brochure.)

Please Note: Donations will be held in a separate account for this purpose only. As the funds are available, the Sound/Audio Engineer we are working with in Montreal, Canada can then create the music for the next song (\$200 USD per song). His work can be heard now on two songs on two different CDs: God as a Water Lily Singing "Light in Love with Light" and Songs of Adama "My Love, My Wife, My Flame".

The work of the Cosmic Christ is described on the Light of the Lily website, and in addition to the Language of Light Songs, there are Messages, Offerings from the Christ and other information for you to enjoy! You are invited to join our email list too by going to the Contact page on the website! The future work, new song CDs, and general announcements will be sent to you about every 2-3 months.

## Language of Light Song CDs List

### Light of the Lily Songs

These songs and prayers were requested by the Cosmic Christ to be created for the Light of the Lily website. Sung by Christina Kennedy with the Loving Ones who help build together the Light of Earth. All of the 42 songs and prayers, as gifted from the Divine are also available to listen to on the Light of the Lily website Light Language page. Many of the gifts in these songs lie in the joy of discovery when you realize who is singing a song or saying a prayer. Do not try to find them, but instead just listen.

### The Ocean

Sponsored by God in Goddess and sung by a Daughter of God with twelve Celestial Beings, each song gifted from them to grace your lives and deeply touch your longing heart with the call home. Listen to yourselves as you listen to them, One Loving God.

As a Special Gift today Goddess wishes you to hear her say about this twelve song set, "It Heals". If you listen to all of them and allow yourself to receive her words just as they are given without reading anything more into them or adding anything at all, healing will come. Just let this be in your life, A Gift.

### Lemurian Songs

Sponsored by Adama and Aurelia of the Fifth Dimensional city of Telos at Mt. Shasta, California, USA and sung by Christina Kennedy and her Lemurian Family. Remember your living Earth, whom we call Naya, as you listen to her Heart that is Lemuria.

### Songs of Adama

In the Language of Light, hear Adama's loving voice as he sings to you. Adama is known as a High Priest in the Fifth Dimensional City of Telos at Mt. Shasta, California.

### Songs of Adama (cont'd)

He is also known to us in the Divine as Adama in the Air as Force, also known as Adama in Water as Love. For all of us now serving in the Air and Water Forces, we know him as Brother. He asks that you know him not just as he is known on Earth, but as he is in God, and as a God you know and remember well in the Great and Holy Above.

More information is available about Lemuria and Adama from the Aurelia Jones material through links from Light of the Lily website under CDs and on the Links page.

### Language of Love Songs to The Mother

From Christina to the World to Honor her Mother. With the Blessing of the Christ, these songs are to be gifted at this time in the hope that Our Mother will receive our love in equal measure for the Love that she is and has always given to all of us - all people, all children (you and me and baby beans), to Heavens and their Worlds and places both kind and un-kind - to All God's Creation. She does not just love the lovable but in generous equality the un-lovable as well. She thinks not of them in this way, to her they are all worthy and therefore welcome to her Heart. Blessed gratitude to her and the One she loves - our good and mighty God.

### David Aum El Sa Ta Ma Singing to God

Hear that which is in the process of being created here in our world in celebration of God in Goddess as Earth, hear in song All You Desire given to us by SA in his Songs to God. Two PDF messages accompany this CD and can be found on the CD page of the Light of the Lily Website.

### God as a Water Lily Singing

Think for a moment how your God must love you in these sacred and most perfect days. This is a Gift from All of Creation to celebrate the coming graduation day for your loving, good and kind Earth. And, we all truly do hope, everyone upon her gentle slopes and loving places too. These songs are in the Language of Light but please do not try to hear the songs, do not even try to listen at all. Relax, let go and float while falling into the Presence of Love and go through the feeling senses knowing how wondrously loving your God is here, as a Water Lily Singing.

### Songs for Babies

Baby Love's Favorite Songs for Babies – For Her and Her Love for All Babies.

Babies are US as our mothers know us, small and yet sometimes very great indeed, perfect in innocence and in pure delight and joy always realized as God's precious Divine children. The little hiccup that just will not stop playing in our body, the rain drops dancing as little loving hearts found at last in their chosen purpose, rays of sunshine and frogs laughing. Little people babies shining with such a Holiness and deeply perfected surrender, a first smile and a first giggle giving all babies a rejoicing sound. In these lights of rippling love, here gifted as song, also hear Baby Love lifting you, and babies all, into her Heart within which there simply is, my friends, no known limit. Blessings, baby hearts.

### Light of Jesu Va Song of the Lord

Mother Mary asked when we were recording the Language of Light song set "God as a Water Lily Singing" that we also record Jesu Va. Jesu is the name we know in the Divine as the one you know as Jesus. "Va" signifies a form of address in the Divine meaning "A Friend of God". For example, we call your Earth Naya Va, and it is often used for the Divinities in service to God in a particular way. This is a song set for Jesu Va and these songs are of His choosing. To thank Him would you be so kind as to say a prayer before listening for the All and Everything, even if that for you represents Earth or your homeland or your family, or indeed All Creation.

### The Lady Songs

The Lady has asked that these songs be given as a Gift to everyone longing for Peace, Love and Heart Felt Devotion. Listen not with your mind or even your heart (Yes, surprising) but with your whole body, mind and spirit – as a Whole Self ready to receive deeply, but gently, her Song.
